Dear Parents/Guardians,

In an effort to improve safety and communication between home and school, permission for children to stay after school must be approved by the teacher and parent/guardian. You must sign below indicating permission for your child to stay after school for a detention, club, or extra help. This must be completed every time your child is staying after school.

Sorry for any inconvenience this may cause. The safety and supervision of your child is a priority. If you need help, please contact the main office at 973-263-7125 x2206.

Thank you for your cooperation.
