# Recycle Fundraiser

Reduce. Reuse. Recycle. It's our Earth,  
and our tomorrow.

Send in your used inkjet & toner  
cartridges and cell phones for recycling.  
All proceeds go directly to our children!

## Why recycle?

Recycling all of the 100 million cell phones ready for end of life management in the US would save enough energy to power more than 194,000 US households with electricity for one year.

Every year, Americans throw out enough printer cartridges to stretch from Los Angeles to New York City *and back again*.

## How can I participate?

It's easy! Bring in used cell phones, inkjet and toner cartridges from your home or office and place them in the PTSA box under the table in the main office.

The fundraiser takes place from September until June. Please bring your recyclables all year long!
