

Mt. Tabor Elementary School

Summer Reading List

Happy Reading!

To the Children and Parents of Mt. Tabor School:

Just a gentle reminder: to keep reading at least 15-20 minutes a day. Below is our summer reading list of authors for each grade, simply choose a book by any of these authors and enjoy.

Have plenty of age-appropriate reading books around and plan a weekly trip to the town library, there is always something going on there! Why not join the summer library program and keep track of your minutes to win fun prizes at the public library and help Mt. Tabor School win the participation award again this year?

Have a great summer!
