Each nontenured teaching staff member shall be evaluated in strict compliance with statute, N.J.S.A. 18A:27-3.1, rules of the State Board of Education, N.J.A.C. 6A:32-4.1 et seq., and the policies and procedures of this district. At least three evaluations shall be conducted annually and at least one evaluation shall be conducted in each semester.

2. Evaluations shall set forth both the strengths and weaknesses of the teaching staff member in order to provide an accurate assessment of his/her performance and to encourage the improvement of that performance.

3. Supervisors shall constructively point out performance deficiencies and offer assistance to nontenured teaching staff members in the improvement of professional skills.

B. Nonrenewal Recommendation

1. When a nontenured teaching staff member’s performance does not meet the standards of the district, the Principal shall recommend to the Superintendent, typically no later than March 1, that the teaching staff member should not be reemployed in the following school year.

2. The nontenured teaching staff member shall be informed by the Superintendent of Schools, in writing, that employment for the next succeeding school year will not be offered. This written notice shall be provided to the staff member on or before May 15.

3. A recommendation by the Superintendent for nonrenewal may be based upon the teaching staff member's evaluations, job performance, or any factor affecting his/her employment in this district. Nonrenewal shall not be recommended for any reasons that are trivial and insubstantial; unsupported by facts; based upon the teaching staff member's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability, if any; or is based upon the teaching staff member's exercise of his/her protected right of free expression and association. Expressions or associations that interfere with the operation of the district may not rise to the level of protected activity.
4. Nontenured teaching staff members’ contracts can only be renewed upon the Superintendent’s recommendation and a majority vote of the full Board. The Board may not withhold its approval for arbitrary and capricious reasons.

C. Nonrenewal Action

1. The Superintendent will notify the Board Members of the recommendation not to renew the staff member’s contract and the reasons for the recommendation in a written notice to the Board no later than May 10.

2. A nontenured teaching staff member not recommended for renewal by the Superintendent is deemed not renewed. A Board’s vote is not required on the Superintendent’s recommendation(s) to not renew a nontenured staff member.

D. Notice of Nonrenewal

1. Notice of the Superintendent's decision not to renew shall be given to each nontenured teaching staff member not recommended for renewal on or before May 15 in accordance with N.J.S.A. 18A:27-10. The Board may delegate the Superintendent or the Board Secretary to give written notice of nonrenewal.

2. Notice shall be in writing and provided to the nontentured teaching staff member not recommended for renewal on or before May 15. If hand delivered, a record shall be made of the date on which delivery was made. If sent by mail, the notice shall be sent registered mail, return receipt requested, to the employee's address of record.

E. Request for Statement of Reasons

1. A nonrenewed teaching staff member will be given a written statement of the reasons for which he/she was not renewed provided the staff member’s request for a statement of reasons has been received by the Superintendent within fifteen calendar days after the teaching staff member received written notice of his/her nonrenewal. N.J.S.A. 18A:27-3.2.

2. The statement of reasons for a nonrenewal will set forth, with as much particularity as possible, the precise reasons for the nonrenewal. Where the nonrenewal is based on performance deficiencies recorded in the employee's evaluations and the employee has been given a copy of those evaluations, the statement of reasons may incorporate the evaluations by reference.
3. The statement of reasons may be prepared by the Superintendent or the Board Secretary and shall be delivered to the employee who requested it within thirty calendar days after the receipt of the employee's request.

F. Nonrenewal Appearance

1. A teaching staff member who has requested a statement of reasons for his/her nonrenewal will be granted an informal appearance before the Board to discuss those reasons, provided that he/she had submitted to the Superintendent a written request for such an appearance no later than ten calendar days after he/she has received the written statement of reasons. N.J.A.C. 6A:32-4.6(a).

2. A date shall be set for an informal appearance, which shall be held within thirty calendar days of the employee's receipt of the Board's statement of reasons. The appearance shall be conducted at an executive session for which notice has been given in accordance with N.J.S.A. 10:4-13. The Board will determine a reasonable length of time to be devoted to the appearance, taking into account the circumstances of the nonrenewal and the statement of the reasons given to the employee. N.J.A.C. 6A:32-4.6(a). The proceeding of an informal appearance before the Board may be conducted pursuant to N.J.A.C. 10:4-12(b)(8).

3. The teaching staff member requesting the appearance shall be given written notice, no later than seventy-two hours in advance of the meeting at which it is scheduled, of the date, time, place, and duration of the appearance.

4. The purpose of the appearance shall be to permit the nonrenewed teaching staff member to convince the members of the Board to offer reemployment. To those ends, the appearance shall be informally conducted. This appearance provides a mechanism by which the nontenured teaching staff member, whose renewal has not been recommended by the Superintendent, can appeal to the Board, on which the Superintendent sits as a non-voting member pursuant to N.J.S.A. 18A:17-20. The proceeding of an informal appearance before the Board shall be conducted with the President of the Board presiding and the appearance will not become an adversary proceeding.

5. The teaching staff member may be represented by an attorney or by one individual of his/her choosing. He/She may present witnesses to testify on in his/her behalf. Witnesses need not be sworn under oath, and their statements will be recorded. The Board will simply hear witnesses and will not cross-examine them. Witnesses will be called into the meeting to address the Board one at a time and shall be excused from the meeting after making their statements.
G. Final Determination

1. A nontenured teaching staff member not recommended for renewal by the Superintendent is deemed not renewed. A Board vote is not required on the Superintendent’s recommendation(s) to not renew a nontenured teaching staff member. However, an informal appearance before the Board, the Superintendent may make a recommendation for reemployment to the voting members of the Board. The voting members of the Board, by a majority vote of the full Board in public session, must approve the reemployment based on the Superintendent’s recommendation.

2. The Board may, with a majority vote of its full membership in public session and without the recommendation of the Superintendent, offer the teaching staff member reemployment after an informal hearing.

3. The final determination will be delivered to the teaching staff member, in writing, no later than three days after the informal appearance. The Board may delegate the Superintendent or the Board Secretary to deliver the final determination.

R 3146  CONDUCT OF REDUCTION IN FORCE

A. Seniority Lists

In order to determine the teaching staff member(s) affected by a reduction in force, a seniority list will be prepared for each seniority category. The Director of Personnel will

1. Determine the category or categories of employment in which each teaching staff member has served by reference to positions held and qualifying certification.

2. Determine whether the member has earned tenure in the district and in the position in which the category falls, in accordance with N.J.S.A. 18A:28-6. Tenure is earned in the positions of Assistant Superintendent, School Business Administrator, Principal, Assistant Principal, Vice Principal, supervisor, educational services personnel, school nurse, and teacher.

3. Calculate length of service in each category within a tenure position in which the employee has earned tenure.
   a. Length of service may be expressed in calendar months and days or in calendar years and portions of years, to two decimal places.
   b. Length of service commences from the day on which the employee began service in the category and ends with the end of the current school year or, in the case of previously riffed employees, the day on which the employee’s district service was terminated.

4. Deduct from time of service in the category any periods of unpaid absence taken for any purpose other than study or research, except that the first thirty days, consecutive and aggregate, of such unpaid absence taken within any one school year will not be deducted.

5. Add periods of prior active military service, to a maximum of four years, to the member’s length of service in the first category of district employment. Each full year of military service equals one year of seniority; a fraction of a year, ten months or longer, equals one year of seniority for a ten month employee.

6. Enter the total amount of service for the member’s initial category of employment.
7. If the member has been transferred to a second category or successive categories, calculate the service time of each category in accordance with A1 through A4 and enter separately.

   a. Service in succeeding categories is included in the member’s seniority in each earlier category.

   b. Each seniority list must clearly indicate the category or categories in which the member has earned seniority and the total accrued time in each.

B. RIF Procedures

   1. Determine the category or categories of employment to be reduced in number in a reduction in force.

   2. Transfer or dismiss nontenured teaching staff members in the reduced category, in accordance with Policy No. 3146.

   3. If no nontenured member remains in the category, the least senior tenured member shall be transferred to a previous seniority category in the same tenure position over a nontenured member or a less senior member in that category.

   4. If there are no positions within his/her seniority categories in the same tenure position to which the member may be transferred, the member shall be transferred to a position outside his/her seniority categories but within the same tenure position, provided the member is appropriately certified for the position and the position is held by a nontenured employee.

   5. If there are no positions to which he/she can be transferred by right of seniority or tenure in the same tenure position, the member shall revert in reverse chronological order to each seniority category and tenure position in which he/she was previously employed in the district, in accordance with the procedure set forth in B3 through B4 above.

   6. When there are no positions which the tenured member affected by a reduction in staff can claim over other tenured employees by superior seniority or over nontenured employees by tenure, he/she shall be dismissed, shall receive sixty days notice of such dismissal or pay in lieu thereof, and shall be placed on a preferred eligible list for each category in which he/she was employed by the district.

3. To earn a summative rating, a teacher shall have a student achievement score, including median student growth percentile and/or student growth objectives(s) scores, and a teacher practice score pursuant to N.J.A.C. 6A:10-4.4.

4. Each score shall be converted to a percentage weight so all components make up 100 percent of the evaluation rubric. By August 31 prior to the school year in which the evaluation rubric applies, the Department shall provide on its website the required percentage weight of each component and the required summative rating scale. All components shall be worth the following percentage weights or fall within the following ranges:
   a. If, according to N.J.A.C. 6A:10-4.2(b), a teacher receives a median student growth percentile, the student achievement component shall be at least thirty percent and no more than fifty percent of a teacher’s evaluation rubric rating as determined by the Department.

b. Teaches the course or group within the course for at least sixty percent of the time from the beginning of the course to the day of the standardized assessment; and

c. Has at least twenty individual student growth percentile scores attributed to his or her name during the school year of the evaluation. If a teacher does not have at least twenty individual student growth percentile scores in a given school year, the student growth percentile scores attributed to a teacher during the two school years prior to the evaluation year may be used in addition to the student growth percentile scores attributed to the teacher during the school year of the evaluation. Only student growth percentile scores from school year 2013-2014 or any school year after shall be used to determine median student growth percentiles.
3. The Department shall periodically collect data for all teachers that include, but are not limited to, student achievement and teacher practice scores.

4. The Department shall calculate the median student growth percentile for teachers using students assigned to the teacher by the school district. For teachers who have a student growth percentile score:

   b. The Department then shall report to the employing district Board of Education the annual summative rating, including the median student growth percentile for each teacher who receives a median student growth percentile.

5. Student growth objectives for teachers shall be developed and measured according to the following procedures:

   a. The Superintendent shall determine the number of required student growth objectives for teachers, including teachers with a student growth percentile. A teacher without a student growth percentile shall have at least two and a maximum of four student growth objectives. By August 31 prior to the school year the evaluation rubric applies, the Department shall provide on its website the minimum and maximum number of required student growth objectives within this range.

   b. A teacher with a student growth percentile shall not use the standardized assessment used in determining the student growth percentile to measure progress toward a student growth objective.

   c. Each teacher shall develop, in consultation with his or her supervisor or a Principal’s designee, each student growth objective. If the teacher does not agree with the student growth objectives, the Principal shall make the final determination.
d. Student growth objectives and the criteria for assessing teacher performance based on the objectives shall be determined, recorded, and retained by the teacher and his or her supervisor by October 31 of each school year, or within twenty-five working days of the teacher’s start date if the teacher begins work after October 1.

e. Adjustments to student growth objectives may be made by the teacher in consultation with his or her supervisor only when approved by the Superintendent or designee. Adjustments shall be recorded in the teacher’s personnel file on or before February 15.

(1) Except where a school district employs only one administrator whose position requires a supervisor, principal, or school administrator endorsement, nontenured teachers shall be observed during the course of the year by more than one appropriately certified supervisor.

c. Tenured teachers shall be observed at least two times during each school year. Observations for all tenured teachers shall occur prior to the annual summary conference, which shall occur prior to the end of the academic school year.

(1) If a tenured teacher was rated highly effective on his or her most recent summative evaluation and if both the teacher and the teacher's designated supervisor agree to use this option, one of the two required observations may be an observation of a Commissioner-approved activity other than a classroom lesson. The Department of Education shall post annually to its website a list of Commissioner-approved activities that may be observed in accordance with N.J.A.C. 6A:10-4.4.

d. Teachers on a corrective action plan shall receive, in accordance with N.J.A.C. 6A:10-2.5(h), one additional observation, including a post-observation conference.

The user agrees not to use the computers and/or network resources to conduct any non-school related business or solicit the performance of any activity which is prohibited by law or is non-educational.

While most of the content available on the Internet is innocuous and much of it a valuable educational resource, some objectionable material exists. The Board will provide pupil access to Internet resources in areas that are generally supervised and has taken steps to filter out objectionable areas to the extent possible, but potential dangers remain. Teaching staff members are advised that some systems may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or otherwise illegal material and are to supervise pupil use of computers and the Internet. The Board and the system administrators do not condone the use of such materials and do not permit usage of such materials in the school environment. TEACHING STAFF MEMBERS
Computer network(s)/computer resources are to be used by the user for his/her educational use only; commercial uses are strictly prohibited.

Databases, Software Libraries, and Subscription Resources

No teaching staff member may install, upload, or download software without the expressed consent of the system administrator. Any software having the purpose of damaging other members' accounts on the school district computer network(s)/computers (e.g., computer viruses) is specifically prohibited. The system administrators, at their sole discretion, reserve the rights to refuse posting of files and to remove files. The system administrators, at their sole discretion, further reserve the right to immediately limit usage or terminate the account or take other action consistent with the Board’s policies and regulations of a member who misuses the software libraries.

Copyrighted Material

Copyrighted material must not be placed on any system connected to the network(s)/computers without the author's specific written permission. Only the owner(s) or persons they specifically authorize may upload copyrighted material to the system. Members may download copyrighted material for their own use in accordance with Policy and Regulation Nos. 2531, Copying Copyrighted Materials. Any member may also noncommercially redistribute a copyrighted program with the expressed written permission of TSS – Technology Services and Solutions, the owner, or authorized person. Permission must be specified in the document, on the system, or must be obtained directly from the author.

Public Posting Areas (Message Boards/Usenet Groups)

Usenet and Internet Relay Chat Room messages are posted from systems connected to the Internet around the world and the school district system administrators have no control of the content of messages posted from these other systems. To best utilize system resources, the system administrators may determine which Usenet groups are most applicable to the educational needs of the school district and will carry these groups on the school district computer network(s). The system administrators or the school administration, at their sole discretion, may remove messages posted locally including information posted on but not limited to, district websites, sharepoint sites, and moodle sites that are deemed to be unacceptable or in violation of the Board policies and regulations. The system administrators or the school administration, at their sole discretion, further reserve the right to immediately terminate the account of a member who misuses the message boards, Usenet groups, district websites, sharepoint, and/or moodle.
Real-time, Interactive, Communication Areas

The district encourages teachers to use appropriate – district provided – website posting areas (such as Moodle and Sharepoint) to support educational programs. A sender of an E-mail message should expect the E-mail messages will be reviewed by the system administrators or the school administration. Messages received by the system are retained on the system or for a maximum of thirty calendar days. A canceled account will not retain its E-mail. Members are expected to remove old messages within thirty calendar days or the system administrators may remove such messages. The system administrators may inspect the contents of E-mail sent by one member to an addressee, or disclose such contents to other than the sender or a recipient when required to do so by the Board policy, regulation or other laws and regulations of the State and Federal governments. The Board reserves the right to cooperate fully with local, state, or federal officials in any investigation concerning or relating to any E-mail transmitted on the school district computer network(s) or computers.

Network Space and Quotas

The system administrators reserve the right to set quotas for network space. A member who exceeds his/her quota of disk space will be advised to delete files to return to compliance with predetermined quotas. A member who remains in noncompliance of disk space quotas after seven school days of notification will have their files removed by a system administrator.
Security

Security on any computer system is a high priority, especially when the system involves many users. If a member feels that he/she can identify a security problem on the computer network(s), the member must notify a system administrator. The member should not inform individuals other than the system administrators or other designated members of the school district staff of a security problem. Professional staff may allow individuals who are not members to access the system through the staff personal account as long as the staff person does not disclose the password of the account to the individuals and understands that the staff person assumes responsibility for the actions of individuals using his/her account. Members may not otherwise allow others to use their account and password without authorization. Passwords to the system should not be easily guessable by others, nor should they be words which could be found in a dictionary. Attempts to log in to the system using either another member's account or as a system administrator will result in termination of the account. Members should immediately notify a system administrator if a password is lost or stolen, or if they have reason to believe that someone has obtained unauthorized access to their account. Any member identified as a security risk will have limitations placed on usage of the computer network(s)/computers or may be terminated as a user and be subject to other disciplinary action.

Vandalism

Vandalism will result in cancellation of system privileges and other disciplinary measures. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the system, or any of the agencies or other network(s)/computers or of doing intentional damage to hardware or software on the system. This includes, but is not limited to, the uploading or creation of computer viruses.

Printing

The printing facilities of the computer network(s)/computers should be used judiciously. Printing for other than educational, or school related purposes is prohibited.

Sexual harassment of school staff members is prohibited by the Board of Education. The Superintendent and school district staff will use the following methods to investigate and resolve allegations of sexual harassment of school staff members.

A. Definitions

1. Gender-based Harassment - Gender-based harassment that includes acts of verbal, nonverbal, physical aggression, intimidation, or hostility based on gender, but not involving conduct of a sexual nature, may be a form of sex discrimination if it is sufficiently severe, persistent, or pervasive and directed at individuals because of their gender.

2. Hostile Environment Sexual Harassment - Sexual harassing conduct (which can include unwelcomed sexual advances, requests for sexual favors or other favors, or other verbal, nonverbal or physical conduct of a sexual nature) by a school staff member that is sufficiently severe, persistent, or pervasive to limit another staff member’s ability to participate in a workplace environment or activity, or to create a hostile or abusive workplace environment.

3. Quid Pro Quo Harassment - When a school staff member explicitly or implicitly conditions another school staff member’s conditions of employment on the staff member’s submission to unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal or physical conduct of a sexual nature. Quid Pro Quo Harassment is equally unlawful whether the staff member resists and suffers the threatened harm or submits and thus avoids the threatened harm.

B. Grievance Procedure

The following Grievance Procedure shall be used for an allegation(s) of harassment of school staff members by other school staff members:

1. Reporting of Sexual Harassment Conduct

   a. Any person with any information regarding actual and/or potential sexual harassment of a staff member must report the information to the school Building Principal, their immediate supervisor or the Affirmative Action Officer.
b. The school district can learn of sexual harassment through other means such as from a witness to an incident, an anonymous letter, or telephone call.

c. A report to the school Building Principal or an immediate supervisor will be forwarded to the school district Affirmative Action Officer within one working day, even if the school Building Principal or immediate supervisor feels sexual harassment conduct was not present.

d. In the event the report alleges conduct by the Building Principal or the Affirmative Action Officer, the Superintendent will designate a school official to assume the Building Principal’s or Affirmative Action Officer’s responsibilities as outlined in Policy No. 3362 and this Regulation.

2. Affirmative Action Officer’s Investigation

a. Upon receipt of any report of potential sexual harassment conduct, the Affirmative Action Officer will begin an immediate investigation. The Affirmative Action Officer will promptly investigate all alleged complaints of sexual harassment, whether or not a formal grievance is filed and steps will be taken to resolve the situation, if needed. This investigation will be prompt, thorough, and impartial. The investigation will be completed no more than ten working days after receiving notice.

b. When a school staff member provides information or complains about sexual harassment, the Affirmative Action Officer will initially discuss what actions the staff member is seeking in response to the harassment.

c. The Affirmative Action Officer’s investigation may include, but is not limited to, interviews with all persons with potential knowledge of the alleged conduct, interviews with any staff member(s) who may have been sexually harassed in the past by the school staff member and any other reasonable methods to determine if sexual harassment conduct existed.

d. The Affirmative Action Officer may request a staff member involved in the investigation to assist in the investigation.
e. The Affirmative Action Officer will provide a copy of Board Policy and Regulation No. 3362 to all persons who are interviewed with potential knowledge, upon request, and to any other person the Affirmative Action Officer feels would be served by a copy of such documents.

f. Any person interviewed by the Affirmative Action Officer may be provided an opportunity to present witnesses and other evidence.

g. The Affirmative Action Officer and/or Superintendent will contact law enforcement agencies if there is potential criminal conduct by any party.

h. The school district administration may take interim measures during an Affirmative Action Officer’s investigation of a complaint.

i. The Affirmative Action Officer will consider particular issues of welcomeness based on the allegations.

3. Investigation Results

a. Upon the conclusion of the investigation, but not later than ten working days after reported to the Affirmative Action Officer, the Affirmative Action Officer will prepare a summary of findings to the parties. At a minimum, this summary shall include the person(s) providing notice to the school district and the staff member(s) who was alleged to be sexually harassed.

b. The Affirmative Action Officer shall make a determination whether sexual harassment conduct was present.

c. If the Affirmative Action Officer concludes sexual harassment conduct was not, or is not present, the investigation is concluded.

d. If the Affirmative Action Officer determines that sexual harassment has occurred, the school district administration shall take reasonable and effective corrective action, including steps tailored to the specific situation. Appropriate steps will be taken to end the harassment such as counseling, warning, and/or disciplinary action. The steps will be based on the severity of the harassment or any record of prior incidents or both. A series of escalating consequences may be necessary if the initial steps are ineffective in stopping the harassment.
e. In the event the Affirmative Action Officer determines a hostile environment exists, the Superintendent shall take steps to eliminate the hostile environment. The school district may need to deliver special training or other interventions to repair the educational environment. Other measures may include directing the harasser to apologize to the harassed staff member, dissemination of information, distribution of new policy statements or other steps to communicate the message that the Board does not tolerate harassment and will be responsive to any school staff member that reports such conduct.

f. In some situations, the school district may need to provide other services to the staff member that was harassed, if necessary, to address the effects of the harassment on that staff member. Depending on the type of harassment found, these additional services may include an independent re-assessment of the harassed staff member’s work performance, counseling and/or other measures that are appropriate to the situation.

g. The Superintendent will take steps to avoid any further sexual harassment and to prevent any retaliation against the staff member who made the complaint, was the subject of the harassment, or against those who provided the information or were witnesses. The Affirmative Action Officer will inform the sexually harassed staff member to report any subsequent problems and will make follow-up inquiries to see if there has been any new incidents or retaliation.

h. All sexual harassment grievances and accompanied investigation notes will be maintained in a confidential file by the Affirmative Action Officer.

4. Affirmative Action Officer’s Investigation Appeal Process

a. Any person found by the Affirmative Action Officer’s investigation to be guilty of sexual harassment conduct, or any person who believes they were sexually harassed but not supported by the Affirmative Action Officer’s investigation, may appeal to the Superintendent. The Superintendent will make his/her determination within ten working days of receiving the appeal.
b. Any person who is not satisfied with the Superintendent’s determination may appeal to the Board. The Board will make its determination within forty-five calendar days of receiving an appeal from the Superintendent’s determination.

C. Office Of Civil Rights (OCR) Case Resolution

Persons not satisfied with the resolution of an allegation of sexual harassment by school district officials or the Board may request the Office of Civil Rights (OCR) of the United States Department of Education to investigate the allegations.

1. Any alleged victim of sexual harassment may appeal a decision of the Affirmative Action Officer, Superintendent, or the Board to the Office of Civil Rights (OCR).

2. Any person may report an allegation of sexual harassment to the OCR at any time. If the OCR is asked to investigate or otherwise resolve incidents of sexual harassment of school staff members, OCR will consider whether:

   a. The school district has a policy prohibiting sexual harassment and a grievance procedure;

   b. The school district appropriately investigated or otherwise responded to allegations of sexual harassment; and

   c. The school district has taken immediate and appropriate corrective action responsive to Quid Pro Quo or Hostile Environment Harassment.

The physician’s report will be forwarded to the Coordinator.

The Coordinator may also determine a date in the future for the staff member to return to work to assume temporary modified duties.

3. A medical review and examination by the workers’ compensation physician may be required to continue a modified duty assignment beyond sixty calendar days.
