BROOKLAWN DRIVE—LITTLETON SCHOOL-4/20/17

On 4/20/2017 a recording device was located inside an adult designated faculty bathroom at Littleton School by a school employee. The device was removed and the Parsippany Police Department was immediately contacted.

After a brief investigation by Detective Marcin Czajka, it was determined that the recording device was capturing footage of the toilet area and was placed there for an undetermined amount of time. Through the initial investigation, Detective Czajka was able to determine that the recording device was placed there by Christopher Esnes, a 40 year old male from Gillette, NJ, who is employed as a teacher in the school. He was placed under arrest by Detective Lieutenant Brian Dowd and Detective Marcin Czajka and processed at Parsippany Police Headquarters. He was charged on a Complaint-Summons with Invasion of Privacy, a 3rd degree crime, and released on his own recognizance pending his court date.

At the current time, no footage involving a juvenile has been found. This incident is still under investigation by Detective Marcin Czajka.
