

KINDERGARTEN REGISTRATION 2010-2011

Dear Parents:

The following information is being distributed to enable us to begin Kindergarten registration for the 2010-2011 school year. It would be helpful if you would bring this information to the attention of friends and neighbors who may have children eligible for Kindergarten next year. Please note that all registration requirements must be met or the registration process cannot be completed.

Sincerely,

LeRoy Seitz, Ed.D.
Superintendent of Schools

Kindergarten registration will be held at your local neighborhood elementary school on:

**Monday, March 8, 2010 from 6:00 - 8:00 PM and
Tuesday, March 9, 2010 from 9:30 - 11:30 AM**

Registration packets may be found on the district website www.pthsd.k12.nj.us, or picked up in the Main Office of your neighborhood school beginning **Monday, March 1, 2010**. Completed registration papers should be brought with you at the time of registration.

KINDERGARTEN ENTRANCE REQUIREMENTS

A child whose fifth birthday falls on or before October 1st may be admitted to kindergarten in September of that year.

You will need to bring:

- A copy of your child's immunizations. (See below)
- An original birth certificate, or passport, to establish proof of age.
- A lease, a deed, or a current tax bill from your residence.
(An Affidavit of Residency from the Superintendent of Schools if the residence where you are living is in someone else's name.)
- One of the following additional documents: Utility, telephone bill, or bank statement.

Children entering kindergarten must provide evidence of having the following immunizations: (Students who have not met all immunization requirements shall not be permitted to attend the first day of school.)

DPT - a minimum of 4 doses of DPT - one dose must have been administered on or after the fourth birthday.

Polio - a minimum of 3 doses of polio vaccine provided at least one dose is given on or after the fourth birthday.

Measles - 2 doses given after the first birthday (preferably MMR).

Rubella - at least one dose (preferably MMR) given on or after the first birthday.

Mumps - at least one dose (preferably MMR) given on or after the first birthday.

Hepatitis B - 3 doses prior to entering kindergarten.

Varicella - 1 dose after first birthday.

Mantoux - PPD tuberculin – For all children born outside the USA.

**A physical examination, done by your family physician,
must be presented to your school prior to attendance in September.**
