IMPORTANT NOTICE

TO CONTINUE TO GET ED ALERT TEXT MESSAGES

Ed Alert has changed the way they send text messages from using email to the cell carrier to using true SMS text messaging. In order to continue receiving text messages, **everyone who has previously signed up must complete the following procedure to continue to receive text messages.**

All Ed Alert Subscribers:

If you would like to continue receiving text messages, you must go to <http://www.myschoolpages.com/schools/pthsd/> and click on edit existing record and then enter your email address on the next screen. You will then receive an email with a link that will take you to a page where you must re-subscribe and agree to the terms and conditions for text messaging. After subscribing you will receive a text message to your cell phone to reply to where you will enter **Y** to subscribe. After replying **Y**, you will receive another text message confirming the registration.

When subscribing you will see a disclaimer stating:

This is a subscription and will renew every month. **You only need to agree to the terms and conditions once and then you are all signed up.**

Standard rates apply/Other charges may apply – this refers to your own cell phone carrier’s standard charges for text messaging, not the EdAlert service.

PLEASE NOTE: that if you do not re-subscribe to text messaging, you will only receive emails and **not receive text messages** when Ed Alerts are sent out by the school district.

If you have questions please email Diane Schiller – dschiller@pthsd.k12.nj.us
