

NEW BUSINESS

NEW BUSINESS

Mrs. Cogan took the opportunity to thank Mrs. Tedesco for all her hard work and for being a true professional. She added that Mrs. Tedesco has been instrumental in bringing the district finances to a really good place. As the chair of finance for the past few years Mrs. Cogan got to work with Mrs. Tedesco very closely and taught her a lot and was professional through long negotiation meetings. She said that Mrs. Tedesco would be missed and wished her a Happy Retirement.

Mrs. Tedesco thanked everyone and said that she will miss everyone. She said that the thought of retirement has been bitter sweet and said that after twenty seven years it was time to move on.

Mr. Berrios offered that after he observed Mrs. Tedesco's professionalism and knowledge after their first meeting together, he knew the district was in good hands. He said that she will be missed and thanked her and wished her enjoyment in retirement. He added that he attended a webinar through New Jersey School Boards Association called "Road Back in Uncertain Times" which talked about what the Board's role is during uncertain times and different things that need to be done these days. He said that he was a part of a tour of Parsippany Hills High School, Brooklawn Middle School and Eastlake School as to what was done to prepare for the upcoming school year. He was impressed with the amount of thought, consideration and thinking "out of the box" that everyone did. He explained that our professionals have been thinking this through.

Mrs. Mayer was wondering if anyone caught the segment about Parsippany on CBS. One of the teachers from Parsippany Hills High School and three other teachers from other districts were talking about their concerns and things they are thinking about as schools go back. It was nice to hear our district represented and speaking well about things that they're concerned about.

Mrs. Orme added that she was sorry to see Mrs. Tedesco leave and wished her well.

Mr. Neglia added that he has had the opportunity to work with Mrs. Tedesco for a long time and she is an amazing person. He appreciated her friendship and advice. She got the district through some of the hardest financial times that he could remember. He said that she was always on top of her game and wished her well.

Mr. Choffo echoed some of the comments offered about Mrs. Tedesco and explained that as a numbers person the district would always "count" on her. He wished her luck in her future endeavors.

HEARING OF PUBLIC

HEARING OF PUBLIC

Francine Heller – Ms. Heller asked if the block schedule was going to be revised and if drama club was included in extracurricular activities.

Mae Martella – Ms. Martella asked if teachers were given an opportunity to teach remotely so they could be teachers focusing on the remote students.

Closing of Public Session.

Dr. Sargent responded that principals are working on what half day schedules would look like. Many were working with their Pandemic Response teams to run through options with them. She confirmed that drama is a club just like the other extracurriculars and will be treated the same way. Teachers who have 504 plans are personnel issues and Dr. Sargent could not speak to those individual areas. The district has made whatever accommodations that were appropriate for the staff members and the district.
