R 9270 HOME SCHOOLING AND EQUIVALENT EDUCATION OUTSIDE THE SCHOOLS

Home schooling is an educational program provided at home, usually by the parent, legal guardian, or other person having custody and control of the child. Children are taught using their own curriculum or published home school curriculum. The Board of Education recognizes that home schooling is an option under the compulsory education law.

For the purpose of this Regulation, “parent” shall mean parent, legal guardian, and other person having custody and control of a child between the ages of six and sixteen.

A. Legal Requirement for Compulsory Attendance

1. N.J.S.A. 18A:38-25 requires all children between the ages of six to sixteen years to attend the public schools or a day school in which there is given instruction equivalent to that provided in the public school for children of similar grades and attainments or to receive equivalent instruction elsewhere other than school.
2. The parent of a child that is home schooled is responsible to ensure their child receives instruction equivalent to that provided in the public school for children of similar grades and attainments or to receive equivalent instruction elsewhere other than school.
3. In the event the Superintendent determines there is credible evidence the parent, legal guardian, or other person having custody and control of a school-aged child is not causing the child to receive equivalent instruction elsewhere than at school, the Superintendent may request a letter of intent from the parent, legal guardian, or other person confirming the child is receiving equivalent instruction elsewhere than at school.
4. If the Superintendent makes a report, the parent of a pupil receiving instruction elsewhere other than school may, but is not required to, notify the Superintendent of their child’s educational program status.

5. A parent of a home schooled child is not required to seek approval from the district or to submit materials to the Superintendent in order to permit it to make a determination as to the equivalency of the instruction.
 6. The New Jersey Department of Education encourages a parent to notify the Superintendent of the intent to educate the child elsewhere than at school to avoid questions with respect to compliance with the compulsory education laws.
- B. Truancy/Violations of Compelling Attendance
1. When a Superintendent and Board believe a person is not complying with the compulsory education law (N.J.S.A. 18A:38-25 et seq.) they must initiate truancy proceedings in municipal court where a parent may be found guilty of a disorderly persons offense and fined in accordance with N.J.S.A. 18A:38-27 and N.J.S.A. 18A:38-31.
 2. If the parent is challenged in court by the Superintendent or Board, the district must demonstrate the child is not receiving an education in accordance with N.J.S.A. 18A:38-25.
- C. District Requirements for Home Schooled Pupils
1. The Board is not required by law to allow a child educated elsewhere than at school to participate in the regular school curriculum or in extra-curricular or sports activities unless specifically provided in Board Policy, or required by Federal law, or State statute or administrative code.
 2. A child educated at home shall not receive a State endorsed high school diploma from the Board of Education.

At this meeting, the current information about the child shall be reviewed to determine whether an evaluation is warranted.

Once the assessments are completed, a meeting in accordance with N.J.A.C. 6A:14-2.3 shall be held to determine whether the child is eligible for special education and related services.

R 9324 SEX OFFENDER REGISTRATION AND NOTIFICATION

A. Definitions

1. Tier One Offender - An offender that is a “low risk of re-offense”, thus constituting a low risk of harm to the community. This offender is one who, because of the type of crime, the lack of violence in his/her behavior, the lack of a substantial criminal history and the existence of ties to the community presents no more than a possible risk of re-offense.
2. Tier Two Offender - An offender who is a “moderate risk of re-offense”, thus constituting a moderate risk of harm to the community in that the pertinent documents demonstrate that they are reasonably likely to re-offend, warranting limited notice for the protection of the public.
3. Tier Three Offender - An offender who is a “high risk of re-offense” in that the available record demonstrates that there is a probable risk of re-offense, warranting notice to the community likely to encounter the offender.
4. Likely To Encounter - Law enforcement agencies, community organizations or members of the community who are in a location or in close geographic proximity to a location which the offender visits or can be presumed to visit on a regular basis.
5. Fair Chance to Encounter - The types of interaction which ordinarily occur at that location and other attendant circumstances demonstrate that contact with the offender is reasonably certain.

B. Notification To School District From the Law Enforcement Agency/County Prosecutor’s Office

1. The Superintendent and the Building Principal(s) of the targeted schools will be notified by the Prosecutor’s Office, without the need to register to be notified, for all sex offenders classified as Tier Two or Tier Three Offenders. Local law enforcement agencies and/or the County Prosecutor’s Office will determine there is a “fair chance to encounter” the offender in determining community notification. In any event the Superintendent and the Building Principal(s) will be notified for all Tier Two and Tier Three Offenders.

 3. The County Prosecutor's Office determines the specific schools, community organizations and residences to receive notification.
 4. The County Prosecutor's Office and/or the appropriate law enforcement office will notify the Superintendent and the Principal of the targeted school(s). The Building Principal should share the notice with any person who in the course of the duties of his/her employment or assignment is regularly in a position to observe unauthorized persons in or near the property of the notified school. If any persons to be notified by the Building Principal are employees of private contractors, the Principal or the Superintendent will notify the private vendor who will provide notice to the employees. The Building Principal will take appropriate steps to educate and alert those staff members who are charged with the care and supervision of children, emphasizing that this information is intended to assist staff members in the protection of their charges, not to provide notification to the community at large.
