

MEMBERSHIP FORM

2018 -
2019

Hello GRO Parents. We would like to invite and encourage all parents of the current and new GRO students to become PGT Members. PGT is a non-profit organization. Over the past few years, budget cuts have affected the GRO program; we are seeking your active participation and membership to provide:

- Additional funding to the GRO program for teaching materials, field trips and special programs
- Scholarship Program
- Events/Information Sessions for PGT Members

For the PGT to continue as an advocate for all GRO students we need your active participation and membership.

Please do not hesitate to contact Jenn Whelan (PGT Chair) jenn.whelan@outlook.com or Deepa Vavilala (Membership Chairperson) deepav_99@yahoo.com with questions and/or suggestions.
